Ordering Concert Tickets

Please fill in the form below, then post it, with your cheque, to the Publicity Secretary at the address above.

NOTES

Please note that tickets are usually available from approximately four weeks prior to a concert date, but they often sell out very quickly. We shall make every effort to provide tickets for you, subject to their availability. If you are considering applying by post less than ten days before a concert, please telephone first to determine availability.

A seat at any concert is only assured to those who purchase their ticket prior to arrival at the venue. Although we shall make every effort to find seats for everyone who comes to a concert, prior place will be given to those who have pre-purchased their ticket.

Please note the start time on your ticket. Concerts start promptly at the advertised time and latecomers will only be admitted at the discretion of the front-of-house staff at an appropriate break in the performance.

Thank you.
